Robotics: Science & Systems Foundation
Contributing Authors’ Letter of Agreement

Title of Contribution:

Author(s):

For the purpose of the publication of the above article in the book tentatively enti-
titled Robotics: Science and Systems XIII, edited by Nancy Amato, Siddhartha
Srinivasa, Nora Ayanian, and Scott Kuindersma, I do

1. warrant that I am the sole or senior author of this article except for those
   portions shown to be quotations;

2. grant to the Robotics: Science & Systems Foundation the nonexclusive
   right to publish the article in all languages and for all countries and in
   both print and electronic forms, while the copyright remains with the
   authors listed above;

3. appoint the above editor(s) my agent(s) in everything pertaining to the
   publication of my article in the said publication;

4. agree to read and promptly return proofs if requested to do so and other-
   wise to cooperate to the end of publication; and

5. affirm that the article does not violate any copyright or other proprietary
   right, contains no statement known to be false and no material that is
   libelous or in any way unlawful, that the article has not previously been
   published, in whole or in part, except as I have advised the editor(s) in
   writing, and that I will give proper credit to the said publication in any
   future publication of the article.
